Thanks Nate. We'll miss you.

Can we meet 1/31 @ 11:00 AM with BOE?

I hope Whitney understands the priority of getting a decision completed on the trash enclosure issue ASAP. I cover it with Sander @ the meeting but he's somewhat justifiably impatient inasmuch as his owner is upset.

Hey Guys

I apologize but I cant make todays meeting bc I am committed to attend a different meeting at the same time. I will definitely make the next one though. BOE can meet either day the 30 or 31. Just let me know what works best for you
